Dog agility tunnels

Our dog tunnels are made from heavy duty FR PVC material which is easy to clean. Standard colours include: black, blue, light blue, green, purple, pink, red, orange, yellow and white.

Light Weight Tunnels - these sewn dog tunnels are flexible and durable, suitable for indoor or outdoor use. The flame retardant structure is formed with a totally concealed spring steel coil which allows them to concertina down for easy storage. Available with fitting loops.

Yellow/Black mesh light weight

Red/White medium or heavy weight

Medium Weight Tunnels - welded tunnels are made using a slightly heavier wire helix enclosed in a PVC scuff strip, end ring at each end of opening.

Heavy Weight Tunnels - welded tunnels with heavier duty end rings and thicker coil.

Sand Bag Straps - complete with pockets velcro fastened - standard or adjustable.

Small Animal Play Tunnels

Small Tunnels - Plain, light weight - 2m x 250mmØ.
Various colours and material options are available for both tunnels.

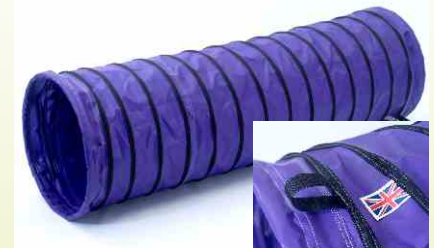

Mini Tunnels - Plain, light weight 1m x 203mmØ.
Various colours and materials options available.

Tunnels showing sand bag straps

Blue/Black non-slip light, medium or heavy weight

Purple light weight with loops
